

Register Today for Foundations on the Hill 2012

It is critical that as we face a new Congress- which embodies over 100 new members, that we educate and inform them about philanthropy and its role in society. Lawmakers need to hear from their foundation constituents directly about legislative proposals impacting the philanthropic sector. Join the **[insert regional association name]**, the Council on Foundations, the Forum of Regional Associations of Grantmakers and hundreds of your colleagues from around the country for Foundations on the Hill, taking place March 21-22 in Washington, DC. Foundations on the Hill is your opportunity to share your views with your members of Congress on Capitol Hill.
